Round 1

**EASY
ROUND**

A tarp is needed when camping

YES

NO

Multiple tarps are a great idea to bring camping. They can be put on top of the tent to ensure it is water proof as well as under the tent to help keep ground moisture out.

YES

NO

All food is safe on the picnic
table at night

TRUE

FALSE

Food should always be stored in air tight containers with latches and locks on them. The smell of food will attract unwanted animals. Animals are sneaky and can get into a lot of containers. If bears are in the area, hang the food from the tree!
