"SERVING ADULTS AND CHILDREN WITH
DEVELOPMENTAL DISABILITIES SINCE 1966"

2019 ANNUAL REPORT WISCONSIN BADGER CAMP LETTER

HELLO FRIENDS

Hello Badger Camp Families and Friends

Spring is almost here, which means it's not long until summertime blesses us again. We're all so excited for the camp season to be here and to see all our wonderful campers again! We work year-long to make sure that their camp experience is truly the best it can be. We plan new activities, bring back fan favorites, and always strive to be the best we can for our campers.

We pride ourselves here at Wisconsin Badger Camp on not turning anybody away due to the severity of their disability or their ability to pay, and we couldn't do that without people like you. We're able to make sure all campers can attend camp still because generous people and organizations support us throughout the year in many different ways. Some of the many ways people help support our campers are by mailing in a donation, in memory/honor of gifts, participating in one of the fundraising events such as 1966 or the Valentine's Party, giving an in-kind donation or volunteering.

Your donation allows us to provide a Campership to those who would otherwise be unable to attend and every donation counts. Are you able to give ten dollars? Wonderful! Are you able to give a hundred dollars? Also wonderful! We're always incredibly thankful you thought of Wisconsin Badger Camp and helping us to continue our mission of serving individuals with developmental disabilities by providing quality outdoor recreational experiences.

We could never thank our supporters enough for all they do. There's no amount of recognition that could ever be enough, but always hope you know how thankful we are.

LETTER FROM THE CHAIR:

"It's March and old man winter continues here in Wisconsin. It's hard to believe our first week of campers will arrive in 3 months! As we get through another winter season, I encourage everyone to keep the campers who attend WBC at the forefront of your mind. Many people with disabilities continue to face a shortage of consistent staff in their home settings. This can often lead to less social and recreational activities that everyone needs in their lives, making camp an even more important part of their lives. We want to ensure we continue to offer as many campers the opportunity to have wonderful and memorable experiences that will make a positive impact on their lives!

It's an exciting time at WBC! We continue to welcome new Board Members and are extremely excited about what they are bringing to the table. We also have some exciting fundraising events on the agenda for this year. Please keep an eye out for this news, and as you always do, remember that when you support WBC, you are making a significant impact on the lives of our campers!

Thanks,
Chris Patterson, Board Chair

LETTER FROM THE PROGRAM DIRECTOR:

Hello everyone, I hope you have had a safe and enjoyable winter. As this summer nears closer and closer, the snow is melting and everywhere I look I see more and more grass appearing and all I can think is how badly I wish summer was here! We are very excited about this summer here in the main office and camper registration, planning for activities, staff recruitment, and the planning for staff training is in full swing. It might seem like a long while before camp is here but it will honestly creep up on us quickly and the opportunity for great memories at camp will be here before we know it.

Sessions are quickly filling up and our travel program seems to be super popular this year with destinations that include: Oshkosh and the EAA Airshow which is always one of our most popular, Duluth Minnesota, Minocqua Wisconsin and back again this year is Omaha Nebraska!

As everyone is eager for camp to begin, keep in mind that we are also looking for nursing volunteers to assist with our Sunday check-ins from around 1 pm until about 4 pm. We also accept volunteers looking for hours to fulfill community service requirements through colleges, high schools, and work organizations.

Badger Camp is looking for Business Owners and Individuals interested in advertising your business and helping camp at the same time by making a donation/sponsoring the purchase of our summer staff polo's. Staff are required to wear their staff polo's on Sunday and Friday for camper check-in and check-out. Sponsorship would include your logo on the polo. Thanks again for all your continued support of camp—it wouldn't be possible without you all!

Yours in camping,
Austin Rist
Program Director

BADGER CAMP 1966 EVENT:

The 5th Annual Badger Camp 1966 Event fundraiser was held at the Holiday Gardens Event Center in Potosi, WI on Saturday, December 14, 2019. Every year, we look forward to sharing this wonderful evening with our supporters and friends of Wisconsin Badger Camp!

The Badger Camp 1966 Event featured guest speaker Jarrett Payton the son of the late NFL Hall of Famer Walter Payton, radio host, philanthropist, motivational speaker, and former NFL & CFL running back. We held a live and silent auction, wine pull and raffles. The high energy atmosphere was very exciting as we gathered together to support campers who attend Wisconsin Badger Camp.

We are thrilled at the success of another Badger Camp 1966 Event, we are proud to have raised over \$70,000 for Badger Camp! All of the funds raised from this event support the Campership Program. The Campership Program is an ongoing initiative that was established to assist in financially supporting campers who wish to attend Wisconsin Badger Camp. In over 50 years, since the inception of Badger Camp, we have never turned a camper away due to their financial situation. Each year, we are tasked with seeking funds to support the Campership Program so that we can keep this amazing tradition going.

On behalf of our campers and everyone at Wisconsin Badger Camp, we would like to thank all involved in making camp a reality for our campers, we are truly grateful for your continued partnership as we grow this event and support our campers!

Please Save the Date for the 6th Annual Badger Camp 1966 Event to take place on December 5, 2020 at the Holiday Gardens Event Center in Potosi, WI. We look forward to seeing you for another successful event!

2019 Badger Camp 1966 Event Sponsors:

33RD ANNUAL VALENTINE'S PARTY:

The 2020 Valentine's Party was held at Pioneer Lanes on Sunday, February 9, 2020. Community members gathered to celebrate this annual fundraiser while supporting Badger Camp. The day included hourly raffles, silent auction, live auction, bake sale and meat raffles. Food was provided by Ma's Bakery, Carol Ann Hood and other anonymous donors. The funds raised from the Valentine's Party will go to our Campership Program that will allow individuals with developmental disabilities to attend Badger Camp this summer!

A big thank you goes out to everyone who helped with the planning of the event, donated monetarily, raffle items, or volunteered their time at the event. This is a great example of what can be accomplished when community members come together to support a great cause. Without the support for Badger Camp, this event would not be what it is today and we thank you for your continued support! A special shout out to Kevin "Beetle" Bailey, Jerry and Wendy Kopp and Kathy Hall for so many years of dedication to this event!
