# 2021 ANNUAL REPORT WISCONSIN BADGER CAMP LETTER

The planning and preparing for camp 2021 is underway and we can't wait to see everyone again! Although we couldn't be together this last year, we still did what we could to connect with one another. We uploaded a variety of activities onto our website such as trivia, coloring pages, craft projects, recipes, exercise bingo, and more. We reached out with emails and phone calls to check in, say hello, and to simply just connect with one another. We have also spent a lot of time researching how to be as safe as possible with COVID-19 regulations and figuring out any needed new policies.

## LETTER FROM THE PROGRAM DIRECTOR:

"Dear Friends,

With this camp season quickly approaching I am overwhelmed with joy to welcome our Badger Camp family and friends back to camp! It has been a very interesting time apart from each other and camp may look very different this year compared to in the past but we will thankfully have many of the same smiling faces, as well as some new ones, join us. With the changes and policies put in place this year it will help to allow us to create our yearly Badger Camp memories while keeping our campers and staff safe.

The thing I look forward to the most this summer is being in the company of nearly 50 of our campers and 35 staff members each week; while enjoying the warm summer sun and cool breeze with the only worry or thought of what the next cool activity or adventure we can participate in is!

I also want to thank all of our campers, families, and supporters who have helped us through this past year. Although we were not together for our fundraisers or camp, the love and support was no doubt felt here at the office, and we appreciate it wholeheartedly. See you this summer!

Yours in camping,

Austin Rist  
Program Director"

## BADGER CAMP 1966 EVENT:

This year we held our 6th Annual Badger Camp 1966 Event fundraiser virtually on December 5, 2020. Our guest speaker was NASA Astronaut Sunita Williams who joined us on Zoom and talked about her time in space followed by a Q&A session. We also held an online auction with items donated by generous businesses and members of our community.

Between the help of our supporters, mailing campaigns, the online auction, and generous gifts the 2020 Badger Camp 1966 Event raised over \$95,000! From all of us at Wisconsin Badger Camp we'd like to say thank you to everyone who made this event so successful.

Please **save the date** for our 7th Annual Badger Camp 1966 Event which will take place on December 11, 2021 at the Holiday Gardens Event Center in Potosi, WI. We look forward to seeing you for a night of fun!

## 2020 BADGER CAMP 1966 EVENT SPONSORS:

Wisconsin Badger Camp would like to thank our 2020 1966 Event Sponsors for continuing to support us,

## 34TH ANNUAL VALENTINE'S DAY PARTY:

Due to COVID-19 we didn't hold our usual in-person event and missed getting to see and spend time with all who join us. However, we still had our 20/20 Raffle. We wanted to thank all our volunteers who helped sell tickets and everyone who participated in the 34th Annual Valentine's Day 20/20 Raffle. We'd also like you to save the date for the 35th Annual Valentine's Day Party, which will be held February 13th, 2022. More details to come!
